Go West

Garrett Gunn, Saint Yak

When a group of outlaws murders Slade's family, he embarks on a hell-bent mission of revenge. Slade vows to hunt down every member of The Savages and tear their entire organization to the ground. Even if it means he has to cross the border into the western regions to do it. Even if it means he has to go west.

Reviews: "The book is entertainingly gory and a bit absurd, as when a tomahawk chop slices a man's head in two horizontally. At its best, Go West pulls up just short of self-parody, and Saint Yak's art delivers the violence with flair." -- Peter Dabbene, Foreword Reviews
