Thank you for your interest in Red Feather Mind, Body, Spirit!

Our goal, as always, is to bring you the very best titles related to personal transformation, empowerment, and spirituality—this, while building on the Schiffer reputation for creating high-quality, unique books and decks on a wide range of topics such as astrology, Tarot, numerology, and metaphysics.

We are driven by the opportunity to provide tools for everyone's journey and this season you are invited to hold *Your Health in Your Hands* (p. 16) or work to heal by providing *TLC for the Soul* (p. 14). Let that soul take an epic journey with the *Mahābhārata Oracle* (p. 13) as you understand the principles of *Feng Shui* (p. 17) while creating the life you want with the *Book of Manifestations* (p. 15).

With these, and all of our many other intriguing selections from this and past seasons, we at Red Feather Mind, Body, Spirit are continually endeavoring to produce titles that will *let your spirit take flight!*

Shadowland Tarot

Monica Bodirsky

- Offers an easy-to-use and in-depth method of accessing, integrating, and healing your unresolved issues or trauma
- For any level of reader interested in exploring the shadow sides of personality
- Say hello to the 78 pieces of your personality you have kept locked in the shadows

This Tarot deck and accompanying book provide you with the vital creative tools you need to access your shadows and reveal hidden truths. Alongside traditional Tarot symbolism and meanings, shadow aspects of our archetypal personalities are portrayed as 78 playful and quirky ink-and-watercolor creatures that offer insight and guidance into our deepest selves. The book consists of a detailed introduction to shadows and shadow work, card meanings, reflection questions, and easy-to-follow spreads to help you discover, contemplate, and integrate previously unacknowledged aspects of your life and personality. For beginners as well as seasoned professional readers and shadow workers, this deck provides imaginative solutions to everyday challenges as well as complex or concealed condition.

Monica Bodirsky, BDes, is a Canadian artist, author, educator, and professional Tarot reader with over forty years of experience.

From the author:

The shadows are parts of us that need to be integrated, so we see ourselves with compassion and wholeness.

The Grail Tarot

A Templar Vision

John Matthews, with cards illustrated by Giovanni Caselli

- Universally recognized mysteries involving the quest for the sacred relic, the Grail, are brought to light within the Tarot
- For advanced and intermediate readers interested in Renaissance-style art and who find the Knights Templar a mysterious draw
- Characters from over 2,000 years of history

The Grail legend is one of the most famous mysteries the world has ever known. This 78-card Tarot deck with spectacular Renaissance-style art relates to the quest for this sacred Christian relic and connects it to our desire to understand the puzzles within our own lives. Characters drawn from over 2,000 years of fascinating Grail history—including the enigmatic Knights Templar, one of the most influential groups of the Middle Ages—take their place in the Major Arcana. The suits are represented by the four Grail Hallows: Stone, Sword, Lance, and Vessel. Discover the symbolism and stories of the Grail as a universal and potent representation of the search for truth, and find how to connect them with your own spiritual quest.

John Matthews has been a practicing shaman for over thirty years and is a leading authority on the Grail and Arthurian legends and the Tarot. The author of a number of successful divinatory systems based on early spiritual beliefs, he has also acted as advisor on several motion pictures, including Jerry Bruckheimer's *King Arthur*.

From the author:

Three strands of history, belief, and tradition are brought together in a significant fashion [with this deck]. In the process this gives us a powerful new divinatory tool [the Tarot], based on ancient traditions and archetypal reality, which opens a new window on both the mystery of the Grail and the extraordinary vision of the Knights Templar and enables us to discover deeper truths in our own lives.

The Star Tarot

Your Path to Self-Discovery through Cosmic Symbolism, 2nd Edition, revised and expanded
Cathy McClelland

- 2nd edition of the popular self-discovery Tarot set, using cosmic symbolism with larger artwork on the cards, 3 new spreads, and numerology references
- For beginning and advanced Tarot readers who love the cosmos
- Includes astrological references and offers star guidance for the soul

Created for all levels of Tarot, this second-edition guidebook and deck combine numerology with the cosmos that link the Major Arcana. Find a heightened methodology for deeper connection to your inherent gifts and the true purpose of your soul. Explore new sections linking numerology with the Major and Minor Arcana as you reveal your lifetime personality, along with astrological references, three added spreads, and larger artwork on 78 beautifully illustrated cards. An indispensable tool for those who seek their infinite personality possibilities: spiritually, emotionally, mentally, and physically. A sure bet for readers who enjoy cosmic symbolism.

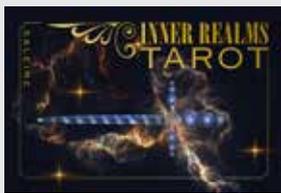

Cathy McClelland's love for nature, archetypal symbolism, and the cosmos inspired her to create *The Star Tarot*. Her magical and enchanting images flow from her heart and imagination. Her hope is that her artwork awakens the viewer to see and feel the magic life has to offer.

"This is a spiritual deck, introducing you to guides and places that, as you open to them, renew both soul and spirit. Cathy McClelland's book shows you how to do this with gentle suggestions that awaken awareness of the healing practices represented there."

Mystic Spirit Tarot Playbook

The 22 Major Arcana

& Development of Your Third Eye

Kooch & Victor Daniels

- A unique guided journey to increase intuitive awareness and find meaningful connections to the 22 Major Arcana Tarot cards
- A guide for all levels of readers for learning Tarot and New Age tools to develop intuition and strengthen one's ability to successfully do divination
- Includes an intuition portal or divinatory skill-building technique that you can add to your Tarot understanding

Using vibrant illustrations from various decks, this comprehensive guide gives useful tools to help the reader personally touch the silent, sacred wisdom veiled within the Tarot. This is an excellent companion for the major cards of any Tarot deck; specific directions simplify learning the imagery-rich language of the cards. If you are a beginning Tarot student, it provides the means to build a strong inner foundation for creating insightful interpretations. If already a reader, it offers journaling suggestions to encourage a deeper personal relationship with each card. At the end of the card descriptions, you'll find an intuition portal or divinatory skill-building technique that you can add to your Tarot understanding. A insightful reference book for all Tarot readers.

A professional intuitive living near San Francisco, **Kooch Daniels** has spent much of her life studying oracles, doing readings, and writing mystical books. She also teaches people to develop their intuitive abilities by learning Tarot divinatory skills.

"[T]his book deserves an honored place in every Tarot student's library."

—Wald Amberstone, Director, The Tarot School

The Art of Kipper Reading

Decoding Powerful Messages

Alexandre Musruck

- English-language guide to the popular German Kipper oracle system
- Accessible for readers of all levels
- Any Kipper deck can be used

Our intuition beckons us, many times, more frequently than we realize. Yet, once we embrace the silent messages that come from within, we can clarify and gain strength from their meaning. Kipper cards categorize four main areas of focus: people, events, situations and objects, or places. Each group is designed to provide information on specific people and issues. You'll learn how to understand the importance of direction and how to apply it, unlock the Grand Tableau, utilize the three-step formula for memorizing Kipper cards, and quickly understand the three common mistakes to avoid. Gain useful insight and tips to enable you to connect to your intuition and obtain answers to some of your more perplexing questions about life. This is an approachable method of divination that makes practical sense for beginners as well as advanced readers. Musruck's Kipper Cards sold separately.

Alexandre Musruck is a French cartomancer, and psychic reader, and the founder of the popular YouTube channel @LenormandandKipperReading. He's been using Kipper Cards in his divination work for more than two decades. When he's not writing or teaching, Alexandre, from the coast of Reunion Island, can be found spending time with his adorable kids, Mathilde and Raphael, and his lovely wife and soulmate, Erika.

INCLUDES: Kipper deck anatomy, Signifiers, Significators, person cards, and main characters; direction, meanings, reversals, spreads (also the Grand Tableau and the 7 keys to unlock it!), correspondences, how to memorize the meanings, mistakes to avoid, clearing and blessing the cards and working with your own Kipper Journal.

The Creativity Oracle

Visions of Enchantment to Guide & Inspire Magic Makers

Amy Zerner and Monte Farber

- ▶ Amy Zerner and Monte Farber have once again created a deck of eighty oracle cards and guidebook to teach people to enjoy their lives more
- ▶ For all readers interested in sparking creativity
- ▶ You always get the message that you need to hear

Husband-and-wife team Monte Farber and Amy Zerner devised this beautiful new oracle deck and guidebook for you—the magic makers, writers, artists, and craftspeople of the world—to empower you as a compass, an assistant, a prompt, an obstacle remover, a game changer, and a pathfinder. The inspiring principles in this divination system are designed to help stimulate the creative process and enable an imaginative and intuitive flow, while motivating and guiding your gifts and talents, whether you want to make your living doing what you love or to bring more fulfillment into your life. Each of the eighty cards is created from Amy's richly sewn tapestry collages, visions of enchantment that make every one of your oracle readings a work of art.

Monte Farber's profound writings offer inspiring guidance. Amy Zerner's exquisite art exudes her intuitive connection with archetypal stories. They've combined their deep love for one another to create bestselling books and oracles that have helped millions answer questions and follow their own spiritual paths.

"Amy Zerner and Monte Farber are two very special souls on this planet. They assist all of us in reminding us of our true spiritual nature. They are the only two practitioners I have met who are able to bring the teaching of truth in ALL of their divinely led creations."

— James Van Praagh, author of *Talking To Heaven*

From the authors:

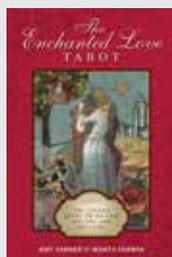

Creativity is composed of equal parts intelligence, intuition, and heroism.

The Mahābhārata Oracle

Gita Rash

- An oracle inspired by one of the oldest recorded document: the Mahabharata
- For those interested in divination for a wide spectrum of emotions, dualities, miracles, philosophies, and spirituality
- A poetic beauty of ancient traditions that offers you transforming spiritual teachings and a master lesson in life

A master lesson in life is now accessible with 36 illustrated cards and a guidebook by veteran medium Gita Rash. As the first oracle deck on this subject, beginners as well as advanced card readers can execute powerful divination through work with the archetypes and concepts offered in this oldest recorded document in existence—the Mahābhārata. There is a discourse within this epic called the Bhagavad Gita, which is a revered text in itself. The entire epic is vast, deep, wise, profound, and prolific displaying a wide spectrum of emotions, dualities, miracles, philosophy, and spirituality, and more. The rich and striking card images display concepts such as space travel, ancient sci-fi, elastic time, astral travel, and more. It's all here, and the otherworldly connections will spur you to expand your psyche. You will witness the poetic beauty of ancient traditions as they transform the spiritual teachings presented in this powerful package.

Gita Rash is a psychic medium using Tarot, runes, palmistry, and Vedic astrology to do readings for the past twenty years, utilizing her experience to provide spiritual guidance to questions about relationships, career, health, well-being, and personal empowerment.

Your Health in Your Hands

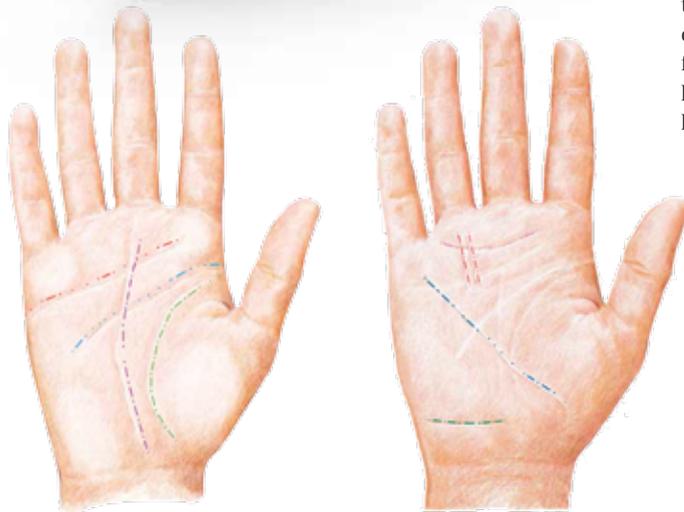

Hand Analysis as a Guide to Well-Being

Lori Reid

- Learn how to read the lines, patterns, and bumps on your hands to promote good health and well-being
- Use your hands as a diagnostic tool for picking up early clues to help maintain vitality and prevent disease
- The vast concentration of nerve endings makes our hands living registers that record all kinds of data and biochemical messages about ourselves

Our palms are a mirror of our personality and how we think and behave. But they can also reveal how we're feeling, our general state of health, and if we are predisposed to a particular condition. If we learn to read the lines, patterns, and bumps on our hands, we can monitor our health and promote our well-being on a daily basis. This easy-to-follow, fully illustrated guide explains the basics of hand analysis, and how overall appearance, line details, and markings begin to build a health picture.

Lori Reid is a leading hand analyst and respected author of more than forty books, including titles on handreading, color therapy, and astrology. She regularly appears on television and radio shows in the UK and writes for both national and international newspapers and magazines.

Feng Shui

Wu Xing

- Rebalance the flow of energy around you to bring health, happiness, and good fortune into your life
- For people embracing their spirituality and looking to create positivity in their homes or offices
- Shows how to assess everything, from the location of a building to the position of a sofa or desk

An informative and clearly illustrated guide to living in harmony with chi'i, the life-giving energy in and around us all, as experts explain how to rebalance the flow of energy to bring health, happiness, and good fortune into your life. An introduction to the ancient guiding principles of traditional Chinese Feng Shui explains how the five elements combine in the home and workplace, with step-by-step instructions. Using simple illustrations and instructions, learn how to visualize the "invisible architecture" in your surroundings, both indoors and outside. Determine whether the Feng Shui is "good" or "bad" and how to use a Pa Tzu compass to discover lucky and unlucky directions.

Wu Xing is a Feng Shui consultancy group that has worked extensively to help people balance the energy in their lives. The group members are Joanne O'Brien, Martin Palmer, Zhao Xiaomin, and Eva Wong (landform adviser), who also work together in astrology and other fields.
