Anatomy & Physiology Flash Cards

Scientific Publishing Ltd

This series of 335 illustrated flash cards explores essential concepts of human anatomy & physiology. The 4" x 6" cards are color coded and indexed into 14 sections for easy reference. The anatomy cards are organized into the systems of the body and have areas for notes for self study. The physiology cards graphically explain the processes vital to the functioning of human beings. Ideal for medical students, health care providers, the series is suitable for the home, school library or physician's office. The flash cards are printed on heavy card stock and are UV coated for durability.

Cards 9781932922974 £35.99 December 2010 Scientific Publishing Ltd (US) 335 pages

Anatomy Flash Cards

Scientific Publishing Ltd

This series of 50 flash cards explores the essential concepts of human anatomy. The 4" x 6" cards are organized into 11 systems and are color coded for easy reference. The structures are beautifully illustrated in exceptional detail, with areas for self study notes on the back. Ideal for medical students on the go, or anyone who requires a lightweight compact series that can travel anywhere. Flash cards are printed on heavy card stock and UV coated for durability.

Cards 9781935612278 £11.99 July 2013 Scientific Publishing Ltd (US)

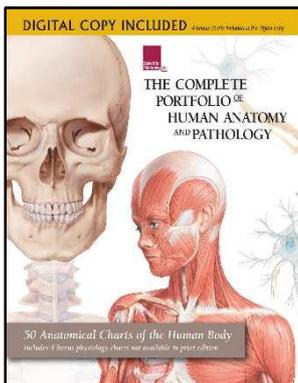

Body Organ Wall Chart Set

Scientific Publishing Ltd

This series of 7 large format wall charts (560x710mm) explores the basic organs of the human body. Each chart graphically illustrates the general anatomy and function of a specific organ. Ideal for students or the informed consumer, the series is suitable for the home, school or physician's office. A perfect companion to the Body System Wall Chart Set. Set Includes: The Brain; The Ear; The Eye; The Heart; The Kidney; The Liver; The Skin.

The Complete Portfolio of Human Anatomy & Pathology

Scientific Publishing Ltd

Comprehensive collection of 50 anatomical charts of the human body

This hardcover portfolio provides a valuable anatomical resource offering a comprehensive look at human anatomy as well as describing many conditions and diseases. The 50 plates are spiral-bound, 12.5" x 14.75" size, allowing the pages to lay flat for easy examination, while the entire book is case bound.

Features

- 50 Illustrated plates: 12pt stock & UV coated
- Hardcover with laminated dust jacket
- Spiral bound
- Suitable for erasable dry marker

Spiral 9781935612346 £49.99 September 2014 Scientific Publishing Ltd (US)

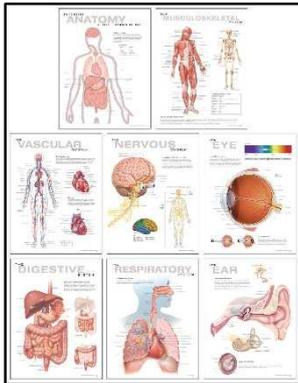

Complete Set of All 20 Human Physiology Charts

Scientific Publishing Ltd

This series of 20 beautifully illustrated charts explores essential concepts of human physiology. Each chart graphically explains processes vital to the functioning of human beings. Ideal for students, patient education and the informed consumer, the series is suitable for the home, school library or physician's office. The charts have a 3ml lamination and 2 metal eyelets for hanging.

Cardiovascular Medicine

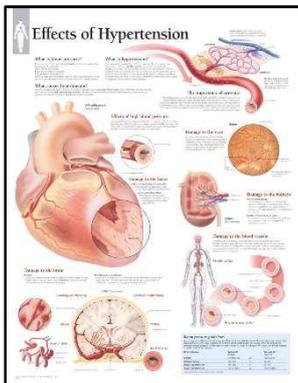

Atrial Fibrillation & Ischemic Strokes

Scientific Publishing Ltd

The Atrial Fibrillation & Ischemic Strokes chart takes a look at stroke, atrial fibrillation (AFib) and their relationship. The anatomy and electrical pathways of the heart are shown, while graphics and text describe a sequence of events from AFib to stroke.

Laminated Poster 9781935612339 £13.19 April 2013 Scientific Publishing Ltd (US)

Paper Poster 9781935612322 £5.99 April 2013 Scientific Publishing Ltd (US)

Effects of Hypertension

Scientific Publishing Ltd

The Effects of Hypertension chart takes a look at the potential problems associated with high blood pressure. Topics that are covered by graphics and text include damage to the heart, eyes, brain, kidneys and blood vessels, as well as the progression of plaque build-up.

Laminated Poster 9781930633254 £13.19 April 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633247 £5.99 April 2003 Scientific Publishing Ltd (US)

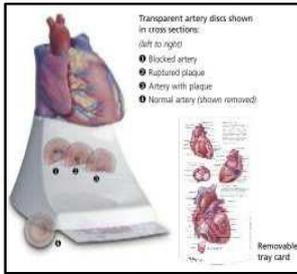

Healthy Heart

Giant Anatomical Model

Scientific Publishing Ltd

The Giant Heart Model provides a magnified view of human heart anatomy. This 150% two piece model fits together without pins, posts or hinges, providing unobstructed viewing of interior and exterior features. The highly detailed Tricuspid (right AV) and Bicuspid (left AV) valves are molded in flexible resin. The larger-than-life-sized model is suspended over a cultured marble base, allowing 360° viewing of the model as well as enhancing the overall appeal. The Giant Heart Model is a valuable educational resource for patient awareness of heart anatomy.

Model 9781932922660 £136.79 May 2006 Scientific Publishing Ltd (US)

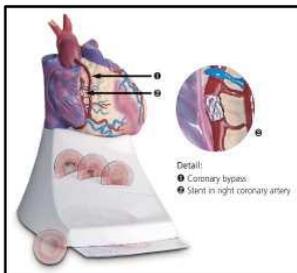

Healthy Heart Life Size Anatomical Model

Scientific Publishing Ltd

This life-size two piece model of the human heart fits together without pins, posts or hinges, providing unobstructed viewing of interior and exterior features. The highly detailed Tricuspid (right AV) and Bicuspid (left AV) valves are molded in flexible resin. A full color patient education card illustrating general heart anatomy and pathology slides out from the model stand (included with the Life Size Heart model). The stand can be used to hold the anterior part of the model. Additionally the model comes with four transparent discs showing stages of CAD (coronary artery disease). The Life Size Heart Model is an essential guide for education and awareness of heart anatomy.

Model 9781932922646 £83.99 May 2006 Scientific Publishing Ltd (US)

Life Size Diseased Heart Model

Scientific Publishing Ltd

This life-size model of the human heart is the premiere educational tool in the instruction of heart disease. The three piece model fits together without pins, posts or hinges, providing unobstructed viewing of interior and exterior features. The tricuspid valve is removable for ease of examination. This invaluable model also comes with a full color patient education card illustrating general heart anatomy and heart disease. Additionally, the model stand, included with the Diseased State Heart model, can be used to hold the anterior part of the model, as shown in the photos. Included with the heart model are four transparent removable discs showing stages of CAD (coronary artery disease). The Diseased State Heart Model is an invaluable aid to patient education and awareness of heart disease.

Model 9781932922653 £105.59 May 2006 Scientific Publishing Ltd (US)

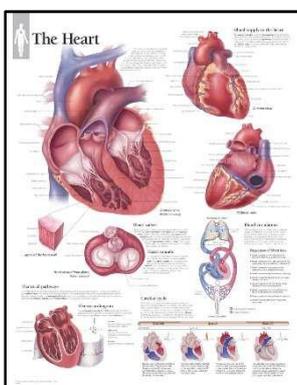

High Blood Pressure

Scientific Publishing Ltd

The High Blood Pressure chart is a detailed overview of causes, effects and risk factors of hypertension. Damage to the eyes, brain, heart and kidneys are described and shown. A discussion of treatment and diet issues completes the chart.

Laminated Poster 9781930633117 £13.19 July 2002 Scientific Publishing Ltd (US)

Paper Poster 9781930633100 £5.99 July 2002 Scientific Publishing Ltd (US)

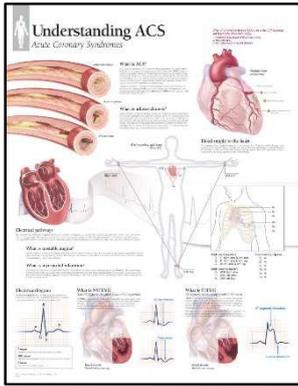

The Heart

Scientific Publishing Ltd

The Heart chart displays the internal and external structure of a major component of the vascular system. Major features such as heart valves are shown and labeled. Additional illustrations show anterior and posterior views of the heart, along with electrical paths in the heart.

Laminated Poster 9781930633094 £13.19 July 2002 Scientific Publishing Ltd (US)

Paper Poster 9781930633087 £5.99 July 2002 Scientific Publishing Ltd (US)

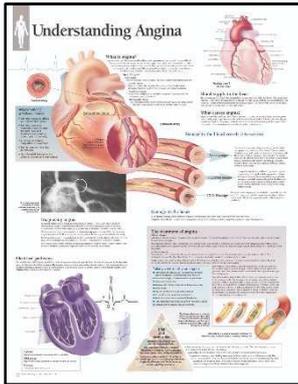

Understanding ACS (Acute Coronary Syndrome)

Scientific Publishing Ltd

The Understanding ACS (Acute Coronary Syndrome) chart is a detailed overview of ACS, atherosclerosis and STEMI and non-STEMI. The chart includes diagrams showing a 12 lead ECG.

Laminated Poster 9781935612490 £13.19 May 2015 Scientific Publishing Ltd (US)

Digestive System

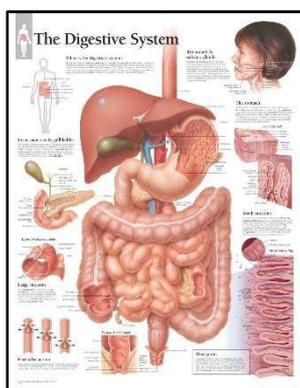

The Digestive Process

Scientific Publishing Ltd

The Digestive Process chart presents the function of each part of the digestive system, from chewing to elimination. Sections are included to present the processes used for food breakdown and material transport, including a guide to transit times. The role of the liver, gallbladder & pancreas in the digestive process is described.

Laminated Poster 9781935612056 £15.59 May 2013 Scientific Publishing Ltd (US)

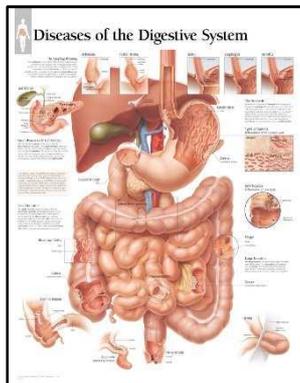

The Digestive System

Scientific Publishing Ltd

The Digestive System chart depicts the overall system, from salivary glands to the rectum, with labeled organs and cut-away views showing internal structure. Additional images help to visualize the tissues of the large and small intestines, including nutrient absorption in the intestinal lining.

Laminated Poster 9781930633131 £13.19 July 2002 Scientific Publishing Ltd (US)

Paper Poster 9781930633124 £5.99 July 2002 Scientific Publishing Ltd (US)

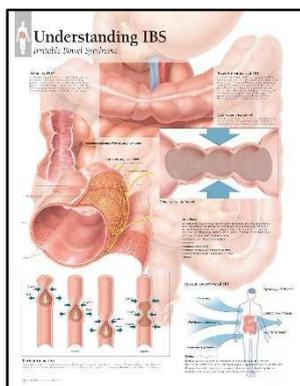

Diseases of the Digestive System

Scientific Publishing Ltd

The Diseases of the Digestive System chart is a detailed overview of digestive system issues. The main graphic shows the system with labeled organs and cut-away views showing internal diseases such as ulcerative colitis and polyps.

Laminated Poster 9781930633537 £13.19 August 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633520 £5.99 August 2003 Scientific Publishing Ltd (US) 1 pages

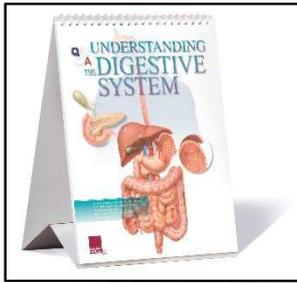

Understanding IBS

Scientific Publishing Ltd

The Understanding IBS chart presents an overall view of the symptoms and causes of Irritable Bowel Syndrome. The main image features the large intestine, with cut-away views showing a spasm and inflammation.

Laminated Poster 9781930633513 £13.19 August 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633506 £5.99 August 2003 Scientific Publishing Ltd (US)

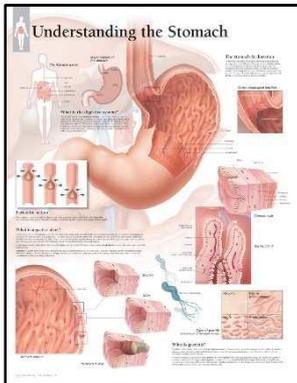

Understanding the Digestive System Flip Chart

Scientific Publishing Ltd

This flip chart offers an overview of the digestive system. The flip chart measures 11" x 14" and is UV coated to allow for dry erase markers [not included]. Spiral bound easel folds flat for easy storage.

Spiral 9781932922318 £16.99 April 2006 Scientific Publishing Ltd (US) 11 pages

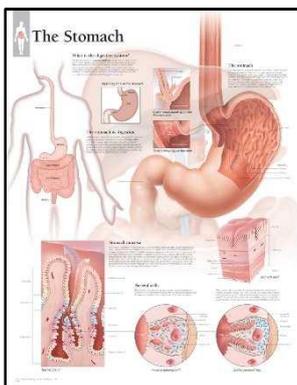

Understanding the Stomach

Scientific Publishing Ltd

The Understanding the Stomach chart presents an overview of a major component of the digestive system. The internal structure of the stomach and stomach lining are covered, as well as common disorders.

Laminated Poster 9781932922257 £13.19 June 2009 Scientific Publishing Ltd (US)

The Stomach

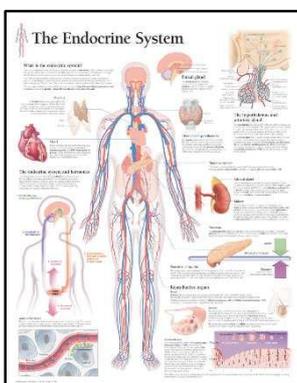

Scientific Publishing Ltd

The Stomach chart presents an overview of a major component of the digestive system. The internal structure of the stomach and stomach lining are covered.

Laminated Poster 9781935612476 £13.19 May 2015 Scientific Publishing Ltd (US)

Paper Poster 9781935612483 £5.99 May 2015 Scientific Publishing Ltd (US)

Endocrinology

The Endocrine System

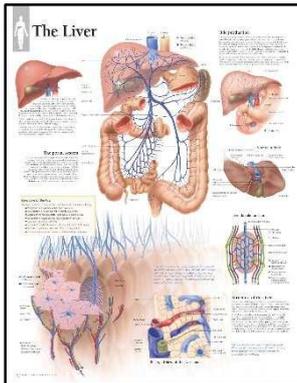

Scientific Publishing Ltd

The Endocrine System chart describes the components and functions of the system that regulates bodily processes. The main image depicts the overall transport system (the vascular system) and associated organs. The action of hormones is shown as a feedback loop and through the concept of target cells.

Laminated Poster 9781932922103 £13.19 December 2004 Scientific Publishing Ltd (US) 1 pages

Paper Poster 9781932922110 £5.99 December 2004 Scientific Publishing Ltd (US)

Gastroenterology

The Liver

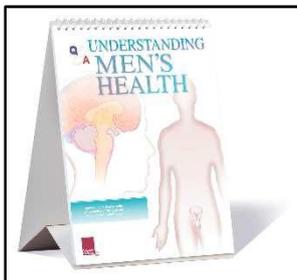

Scientific Publishing Ltd

The Liver chart presents an overall view of the structure and function of the liver, including the portal system and bile production. The lobules, the functional units of the liver, are shown and described in detail.

Laminated Poster 9781930633834 £13.19 February 2004 Scientific Publishing Ltd (US)

Paper Poster 9781930633827 £5.99 February 2004 Scientific Publishing Ltd (US)

General Health

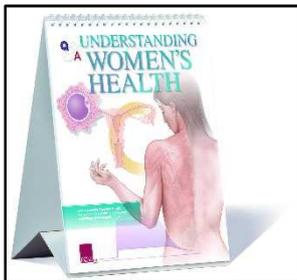

Understanding Men's Health Flip Chart

Scientific Publishing Ltd

The Understanding Men's Health flip chart presents an overview of the male reproductive system and health issues facing men today. The flip chart begins with anatomy of the male reproductive system, including spermiogenesis. The women's ovulation cycle and fertilization are covered. Sections on prostate issues, high blood pressure, heart disease, depression and smoking complete the flip chart.

Spiral 9781935612377 £16.99 May 2015 Scientific Publishing Ltd (US) 15 pages

Understanding Women's Health Flip Chart

Scientific Publishing Ltd

The Understanding Women's Health flip chart presents an overview of the female reproductive system and health issues facing women today. The flip chart begins with anatomy of the female reproductive system, then moves through the menstrual cycle to pregnancy and birth. Sections on menopause, breast cancer, high blood pressure, heart disease, osteoporosis and OAB/incontinence complete the flip chart.

Spiral 9781935612261 £16.99 June 2013 Scientific Publishing Ltd (US) 10 pages

GERD

Understanding GERD (Gastroesophageal Reflux Disease)

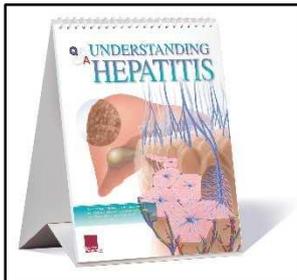

Scientific Publishing Ltd

The Understanding GERD chart presents a detailed overview of the symptoms and causes of Gastroesophageal Reflux Disease (GERD). Several views show normal esophagus and stomach anatomy, as well as GERD, esophagitis and Barrett's esophagus.

Laminated Poster 9781930633216 £13.19 April 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633209 £5.99 April 2003 Scientific Publishing Ltd (US)

Hepatology

Understanding Hepatitis Flip Chart

Scientific Publishing Ltd

This flip chart offers an overview of hepatitis. The flip chart measures 11" x 14" and is UV coated to allow for dry erase markers [not included]. Spiral bound easel folds flat for easy storage.

Spiral 9781932922349 £16.99 April 2006 Scientific Publishing Ltd (US) 9 pages

Understanding Hepatitis

Scientific Publishing Ltd

The Understanding Hepatitis chart is a comprehensive overview of the different types of hepatitis, including symptoms, causes and treatments. External views of healthy and cirrhotic livers are shown, including a view of the liver lobules.

Laminated Poster 9781930633858 £13.19 February 2004 Scientific Publishing Ltd (US)

Paper Poster 9781930633841 £5.99 February 2004 Scientific Publishing Ltd (US)

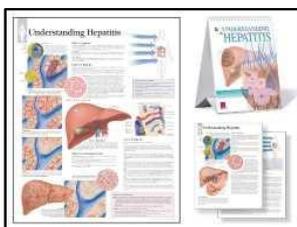

Understanding Hepatitis Model

Scientific Publishing Ltd

Five piece model of the human liver. Liver is sectioned into healthy, hepatitis and cirrhosis sections. Model locks into base and has patient education card illustrating general liver anatomy and pathology. Two (2) individual biopsy discs illustrate a healthy and pathology liver cross section. The Understanding Hepatitis Model is an invaluable aid to patient education and awareness of liver disease.

Model 9781935612353 £70.79 May 2015 Scientific Publishing Ltd (US)

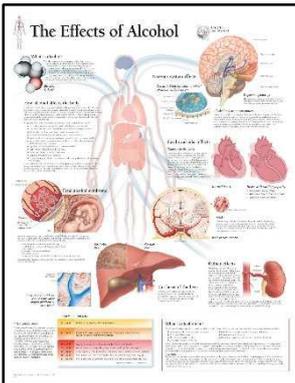

Understanding Hepatitis Study Set

Scientific Publishing Ltd

Set includes: Anatomical Wall Chart; Anatomical Flip Chart & 5 Patient-Education Pads. Patient Education Study Sets, for the patient and healthcare professional. Help improve general health by educating patients using these dynamic and informative wall posters and teaching aids. These sets have been designed to increase awareness of the complications and treatments of today's leading health issues. Each item can be used separately or included in an educational program fitting your curriculum objectives. Hospitals can also take advantage of this educational opportunity to increase their HCAHPS Scores.

Shrink-wrapped pack 9781935612421 £55.19 May 2015 Scientific Publishing Ltd (US)

Lifestyle Issues

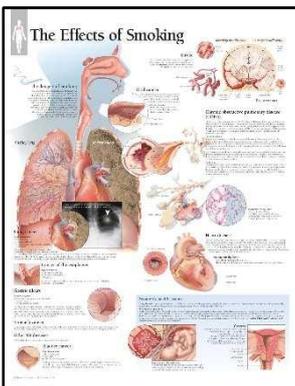

The Effects of Alcohol

Scientific Publishing Ltd

The Effects of Alcohol chart takes a look at the potential problems and risk factors associated with excessive alcohol consumption. Topics that are covered by graphics and text include the effects of alcohol on the nervous system, cirrhosis of the liver and fetal alcohol syndrome.

Laminated Poster 9781932922028 £13.19 August 2004 Scientific Publishing Ltd (US)

Paper Poster 9781932922035 £5.99 August 2004 Scientific Publishing Ltd (US)

The Effects of Smoking

Scientific Publishing Ltd

The Effects of Smoking chart takes a look at the problems and risk factors associated with smoking. Topics that are covered by graphics and text include stroke, oral cancer, COPD, heart disease and women's health issues.

Laminated Poster 9781930633377 £13.19 June 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633360 £5.99 June 2003 Scientific Publishing Ltd (US)

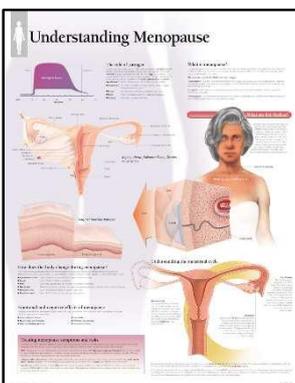

Pregnancy & Birth

Scientific Publishing Ltd

The Pregnancy & Birth chart presents a detailed overview of the process from conception to birth. The overall structure of the female reproductive system is illustrated with smaller images showing the zygote stages. Each trimester is shown graphically with an overall view and a close-up view of the developing fetus.

Laminated Poster 9781932922622 £13.19 September 2007 Scientific Publishing Ltd (US)

Paper Poster 9781932922639 £5.99 September 2007 Scientific Publishing Ltd (US)

Understanding Menopause

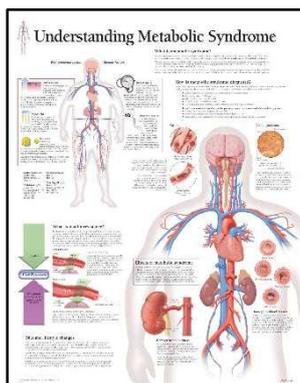

Scientific Publishing Ltd

The Understanding Menopause chart takes a look at the effects of menopause. Topics that are covered by graphics and text include basic anatomy of the female reproductive system, the role of estrogen, hot flashes, vaginal mucosa changes and the menstrual cycle.

Laminated Poster 9781930633612 £13.19 August 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633605 £5.99 August 2003 Scientific Publishing Ltd (US)

Metabolic Syndrome

Understanding Metabolic Syndrome

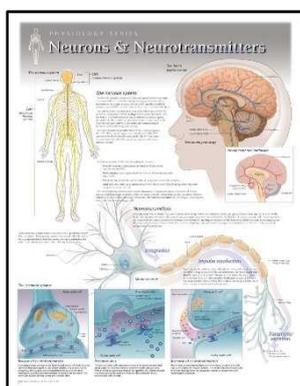

Scientific Publishing Ltd

The Understanding Metabolic Syndrome chart takes a look at the problems and risk factors associated with this syndrome. Topics that are covered include environmental and genetic factors, insulin resistance and the effects of metabolic syndrome.

Laminated Poster 9781932922264 £13.19 November 2005 Scientific Publishing Ltd (US)

Paper Poster 9781932922271 £5.99 November 2005 Scientific Publishing Ltd (US)

Neurology & Clinical Neurophysiology

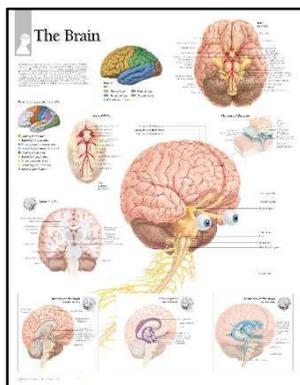

Neurons & Neurotransmitters

Scientific Publishing Ltd

The Neurons & Neurotransmitters chart starts with an overview of the nervous system, including a representation of neurotransmitter pathways in the brain. The anatomy and function of the neuron provides a transition from gross anatomy to the cellular level. Neurotransmitter release and reuptake is shown through sequential graphics and text.

Laminated Poster 9781935612148 £15.59 May 2013 Scientific Publishing Ltd (US)

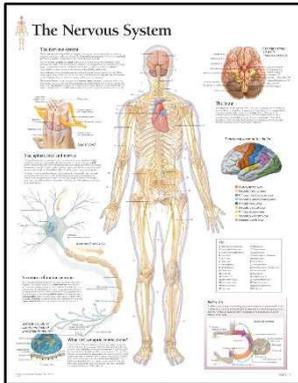

The Brain

Scientific Publishing Ltd

The Brain chart presents an overall view of the structure of this major component of the nervous system. The brain is prominently featured, showing the cerebrum, cerebellum and part of the spinal cord.

Laminated Poster 9781930633278 £13.19 April 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633261 £5.99 May 2003 Scientific Publishing Ltd (US)

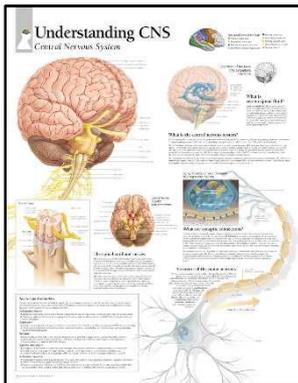

The Nervous System

Scientific Publishing Ltd

The Nervous System chart is an overview of one of the most complex system of the human body. The central image of the chart shows the brain and the major nerves of the body. The cranial nerves, spinal structure, functional brain areas and the neuron and synaptic cleft are shown through other images.

Laminated Poster 9781932922080 £13.19 December 2004 Scientific Publishing Ltd (US)

Paper Poster 9781932922097 £5.99 December 2004 Scientific Publishing Ltd (US)

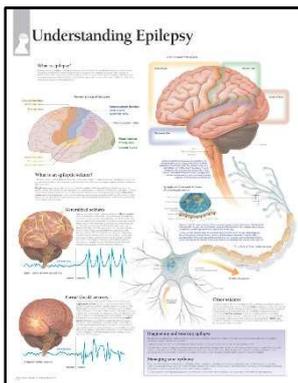

Understanding CNS

Scientific Publishing Ltd

The Understanding CNS chart describes the components of the central nervous system, or CNS. The brain is represented through several images, and smaller views show the ventricles and the functional areas of the brain. Cellular views include the neuron and synaptic cleft, describing the action of neurotransmitters.

Laminated Poster 9781932922042 £13.19 August 2004 Scientific Publishing Ltd (US)

Paper Poster 9781932922059 £5.99 August 2004 Scientific Publishing Ltd (US)

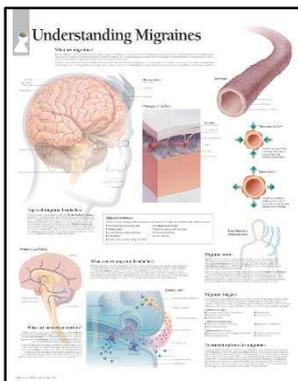

Understanding Epilepsy

Scientific Publishing Ltd

The Understanding Epilepsy chart examines the causes and symptoms of this condition. Brain anatomy is represented through several images, including views showing the lobes and the functional areas of the brain. Both generalized and partial seizures are described, as are motor neurons and the synaptic cleft.

Laminated Poster 9781932922226 £13.19 January 2006 Scientific Publishing Ltd (US)

Paper Poster 9781932922233 £5.99 January 2006 Scientific Publishing Ltd (US)

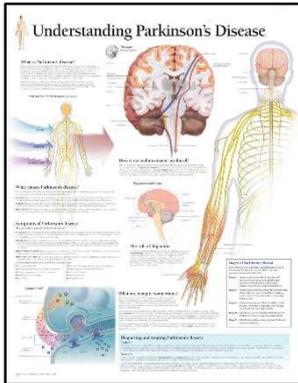

Understanding Migraines

Scientific Publishing Ltd

The Understanding Migraines chart examines the causes and symptoms of these headaches, as well as treatment options. The brain is shown through several images, including a large overall view and a close-up view of the meninges. Images of an arteriole, vasoconstriction and vasodilation help to explain the process.

Laminated Poster 9781932922189 £13.19 December 2008 Scientific Publishing Ltd (US)

Paper Poster 9781932922196 £5.99 December 2008 Scientific Publishing Ltd (US)

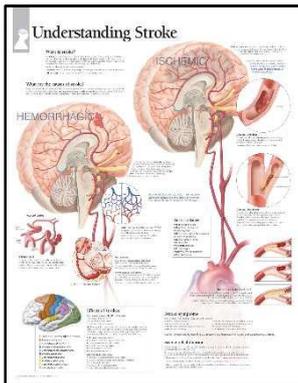

Understanding Parkinson's Disease

Scientific Publishing Ltd

The Understanding Parkinson's Disease chart explores the causes and symptoms of this degenerative disorder. The anatomy of the brain and motor neurons is illustrated, along with information on the role of dopamine.

Laminated Poster 9781932922127 £13.19 September 2007 Scientific Publishing Ltd (US)

Paper Poster 9781932922134 £5.99 September 2007 Scientific Publishing Ltd (US)

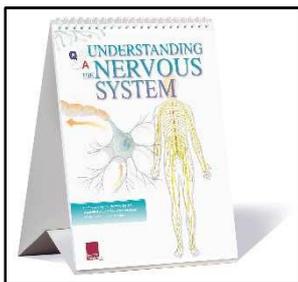

Understanding Stroke

Scientific Publishing Ltd

The Understanding Stroke chart is a detailed overview of causes, effects and risk factors of stroke. The 2 types of strokes, hemorrhagic and ischemic, are shown side-by-side for comparison purposes.

Laminated Poster 9781930633490 £13.19 May 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633483 £5.99 May 2003 Scientific Publishing Ltd (US)

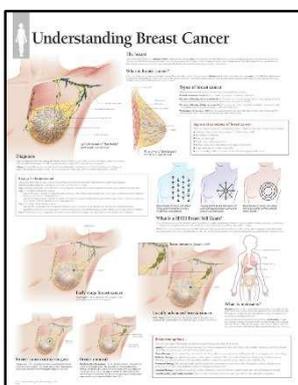

Understanding the Nervous System Flip Chart

Scientific Publishing Ltd

This flip chart offers an overview of the nervous system. The flip chart measures 11" x 14" and is UV coated to allow for dry erase markers [not included]. Spiral bound easel folds flat for easy storage.

Spiral 9781932922875 £16.99 December 2008 Scientific Publishing Ltd (US) 8 pages

Oncology

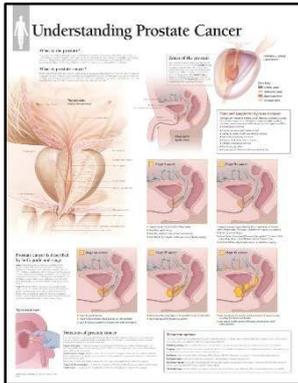

Understanding Breast Cancer

Scientific Publishing Ltd

The Understanding Breast Cancer chart presents an overview of the symptoms, types and stages of breast cancer in women. The anatomy of the breast is shown, including the lymph nodes. The breast self exam is covered, showing types of movement. Text and graphics describe treatment options.

Laminated Poster 9781935612315 £13.19 April 2013 Scientific Publishing Ltd (US)

Paper Poster 9781935612308 £5.99 April 2013 Scientific Publishing Ltd (US)

Understanding Prostate Cancer

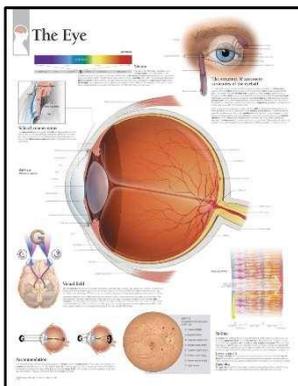

Scientific Publishing Ltd

The Understanding Prostate Cancer chart provides an overview of the prostate and prostate cancer. Grades and stages are described, with stages illustrated by a series of images. A section on detection and treatment options completes the chart.

Laminated Poster 9781935612292 £13.19 April 2013 Scientific Publishing Ltd (US)

Paper Poster 9781935612285 £5.99 April 2013 Scientific Publishing Ltd (US)

Ophthalmology

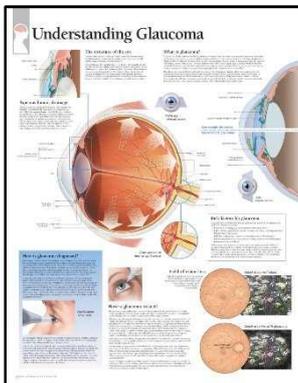

The Eye

Scientific Publishing Ltd

The Eye chart features a prominent cut-away view of the eye, showing major internal features. The visible light spectrum diagram is accompanied by images of auxiliary structures and the Canal of Schlemm. Diagrams help describe the vision functions of accommodation and the visual field.

Laminated Poster 9781930633599 £13.19 August 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633582 £5.99 August 2003 Scientific Publishing Ltd (US)

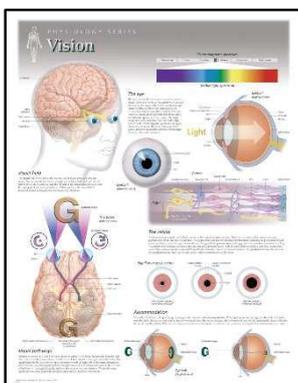

Understanding Glaucoma

Scientific Publishing Ltd

The Understanding Glaucoma chart shows the structure of the eye along with a visual depiction of the fluid pressure associated with glaucoma. The optic nerve, the Canal of Schlemm and normal and damaged retinas are shown as close-up views.

Laminated Poster 9781930633872 £13.19 August 2004 Scientific Publishing Ltd (US)

Paper Poster 9781930633865 £5.99 August 2004 Scientific Publishing Ltd (US)

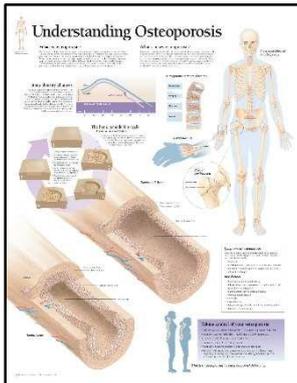

Vision

Scientific Publishing Ltd

The Vision chart presents the anatomy of the eye, from the eyeball to the rods and cones in the retina. Visual field and visual pathways shows how an image is put together by the brain. Accommodation and pupillary muscle action sections describe ways the eye adjusts to the environment

Laminated Poster 9781935612087 £15.59 May 2013 Scientific Publishing Ltd (US)

Osteoporosis

Understanding Osteoporosis

Scientific Publishing Ltd

The Understanding Osteoporosis chart examines the causes, symptoms, risk factors and treatments for osteoporosis. The loss of bone density is examined through large graphics and diagrams, including a diagram explaining bone remodeling.

Laminated Poster 9781930633315 £13.19 June 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633308 £5.99 June 2003 Scientific Publishing Ltd (US)

Otorhinolaryngology

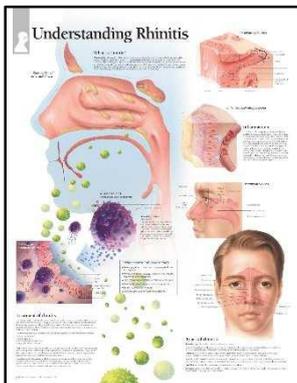

Ear, Nose & Throat

Scientific Publishing Ltd

The Ear, Nose & Throat chart presents a visual overview of the interconnected structures of breathing, eating & hearing. Large graphics illustrate the anatomy of the ear and upper respiratory tract through cross-sectional, frontal and cellular views.

Laminated Poster 9781932922677 £13.19 December 2008 Scientific Publishing Ltd (US)

Paper Poster 9781932922684 £5.99 December 2008 Scientific Publishing Ltd (US)

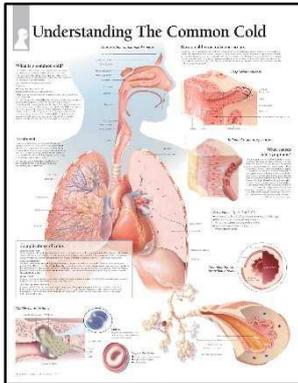

Understanding Rhinitis

Scientific Publishing Ltd

The Understanding Rhinitis chart is an overview of the causes, types and treatment of rhinitis. Images and text show normal and affected sinuses, both overall and at a cellular level.

Laminated Poster 9781930633414 £13.19 August 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633407 £5.99 August 2003 Scientific Publishing Ltd (US)

Understanding the Common Cold

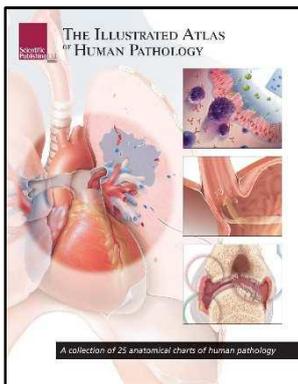

Scientific Publishing Ltd

The Understanding the Common Cold chart examines the causes, symptoms and treatment of this respiratory problem. Images and text show normal and affected sinuses, both overall and at a tissue level, and inflammation of the bronchial airway.

Laminated Poster 9781930633438 £13.19 August 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633421 £5.99 August 2003 Scientific Publishing Ltd (US)

Pathology

The Illustrated Atlas of Human Pathology

A Collection of 25 Anatomical Charts of Human Pathology

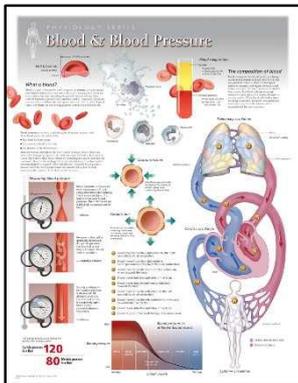

Scientific Publishing Ltd

Featuring 25 charts of human pathology

Companion to our Illustrated Atlas of Human Anatomy, this portfolio provides an overview of common disorders and diseases. The 25 plate collection covers topics such as stroke, heart disease and ulcers. Related topics include Understanding Cholesterol and The Effects of Alcohol. Ideal for students, patient education and the informed consumer, this portfolio would be a valuable reference for the home, school library or physician's office.

PB 9781932922998 £16.99 June 2009 Scientific Publishing Ltd (US) 25 pages

Physiology

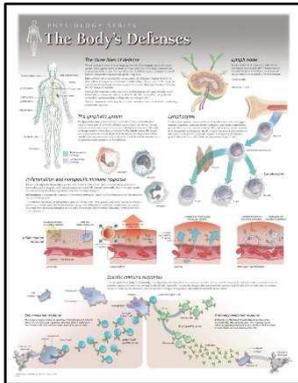

Blood & Blood Pressure

Scientific Publishing Ltd

The Blood & Blood Pressure chart depicts the elements of blood pressure, from the components of blood to a visual representation of the vascular system. Blood pressure measurement graphics relate the sounds to the change in blood flow. A diagram shows the differences in blood vessel pressure across the system.

Laminated Poster 9781935612063 £15.59 May 2013 Scientific Publishing Ltd (US)

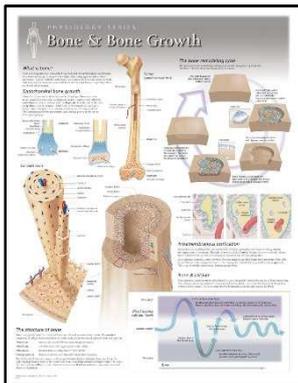

The Body's Defenses

Scientific Publishing Ltd

The Body's Defenses chart begins with an overview of the lymphatic system, including the lymph node and lymphocytes. The three lines of defense are presented, including inflammation and non-specific immune response. A section graphically illustrates cell-mediated and antibody-mediated responses.

Laminated Poster 9781935612094 £15.59 May 2013 Scientific Publishing Ltd (US)

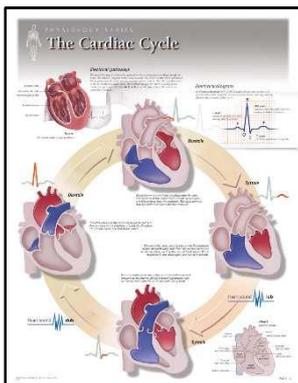

Bone & Bone Growth

Scientific Publishing Ltd

The Bone & Bone Growth chart begins with an explanation of the structure of bone, from spongy & compact bone to osteocytes. The processes of endochondral bone growth and ossification, as well as bone remodeling, are graphically portrayed. A section on feedback and calcium levels is included.

Laminated Poster 9781935612001 £15.59 May 2013 Scientific Publishing Ltd (US)

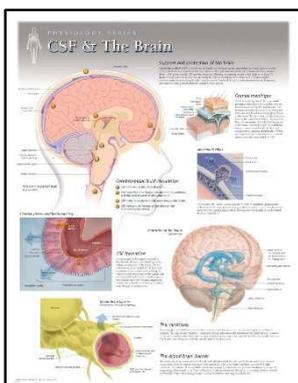

The Cardiac Cycle

Scientific Publishing Ltd

The Cardiac Cycle chart shows the continuing action of the heart as a cycle, augmented by the corresponding section of the QRST wave. Heart anatomy, electrical pathways and the QRST wave images and text help explain the cycle.

Laminated Poster 9781935612049 £15.59 May 2013 Scientific Publishing Ltd (US)

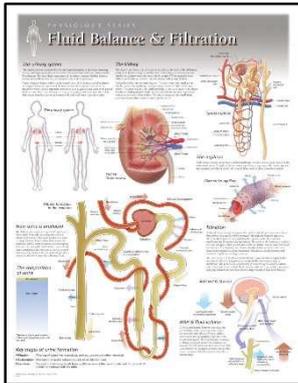

CSF & The Brain

Scientific Publishing Ltd

The CSF & The Brain chart focuses on the support and protection of the brain, from cranial meninges to the blood-brain barrier. The sections on formation and circulation of cerebrospinal fluid include a three-quarter view of the ventricles and the brain.

Laminated Poster 9781935612131 £15.59 May 2013 Scientific Publishing Ltd (US)

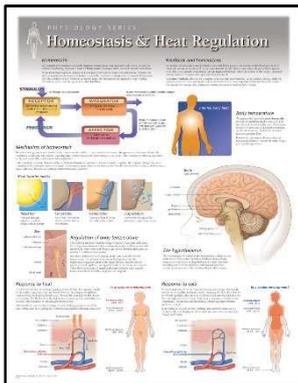

Fluid Balance & Filtration

Scientific Publishing Ltd

The Fluid Balance & Filtration chart begins with a section on the anatomy of the urinary system, the kidney and the nephron. Fluid filtration and the formation of filtrate are shown, along with a section on the feedback process of balancing fluid volume.

Laminated Poster 9781935612124 £15.59 May 2013 Scientific Publishing Ltd (US)

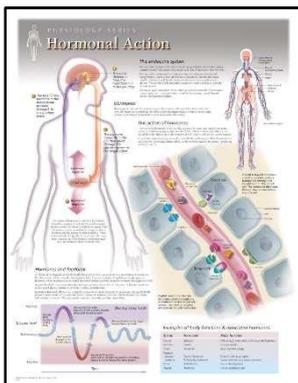

Homeostasis & Heat Regulation

Scientific Publishing Ltd

The Homeostasis & Heat Regulation chart explains the concept of homeostasis using the body's responses to environmental changes in temperature. A diagram showing a generalized process of homeostasis is followed by graphic representations and descriptions of heat transfer modes. The bottom portion of the chart is devoted to the body's response to heat and cold.

Laminated Poster 9781935612179 £15.59 May 2013 Scientific Publishing Ltd (US)

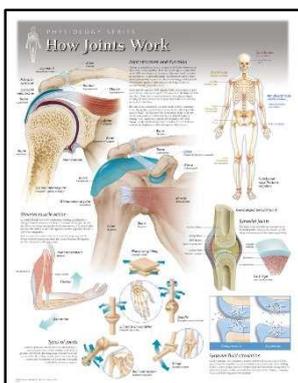

Hormonal Action

Scientific Publishing Ltd

The Hormonal Action chart starts with a depiction of the endocrine system and basic information on hormones. Hormonal action is described by a generalized diagram, while the actions of specific types of hormones are shown at the cellular level. A section of the chart shows the feedback process involved in maintaining blood glucose levels.

Laminated Poster 9781935612162 £15.59 May 2013 Scientific Publishing Ltd (US)

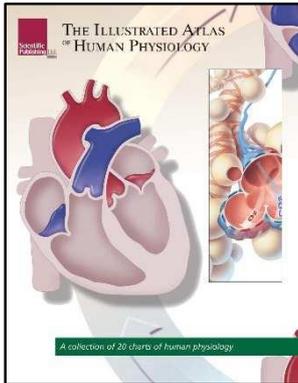

How Joints Work

Scientific Publishing Ltd

The How Joints Work chart presents an in-depth look at joints of the human body, starting with an anterior view of the skeleton, showing joint classifications. The shoulder is used to show internal and external structures of a joint. Muscle action, joint types and a section on synovial joints round out the topics.

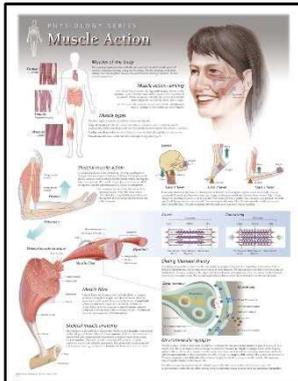

Laminated Poster 9781935612018 £15.59 May 2013 Scientific Publishing Ltd (US)

The Illustrated Atlas of Human Physiology
A Collection of 20 Anatomical Charts of Human Physiology
 Scientific Publishing Ltd

The third in the Illustrated Atlas series of portfolios provides an overview of the functions of the human body. This 20 plate collection includes titles on blood pressure, respiration and digestion. Ideal for students, patient education and the informed consumer, this portfolio is suitable for the home, school library or physician's office.

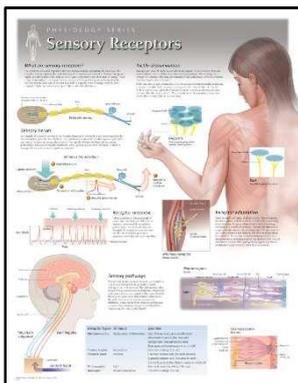

PB 9781932922981 £16.99 June 2009 Scientific Publishing Ltd (US) 20 pages

Muscle Action
 Scientific Publishing Ltd

The Muscle Action chart starts by showing the location of the different types of muscle in the body. Anatomy of skeletal muscle is presented, along with diagrams describing muscle action in terms of levers. Sections on muscle action at the cellular level show the sliding filament theory and the neuromuscular synapse.

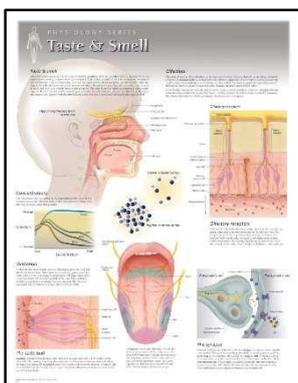

Laminated Poster 9781935612025 £15.59 May 2013 Scientific Publishing Ltd (US)

Sensory Receptors
 Scientific Publishing Ltd

The Sensors & Receptors chart is an in-depth look at how we sense our environment through various types of receptors. Stimulus transduction and tactile discrimination are portrayed through graphics and text. Sections explain receptor response and adaptation.

Laminated Poster 9781935612117 £15.59 May 2013 Scientific Publishing Ltd (US)

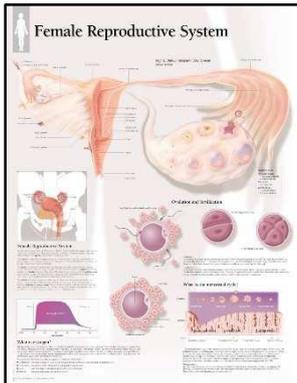

Taste & Smell
 Scientific Publishing Ltd

The Taste & Smell chart presents the anatomy of the tongue and upper respiratory tract. The receptors of gustation and olfaction are shown, including the synaptic connection. Concentration and its relationship to sensation is presented through a diagram.

Laminated Poster 9781935612155 £15.59 May 2013 Scientific Publishing Ltd (US)

Reproductive System

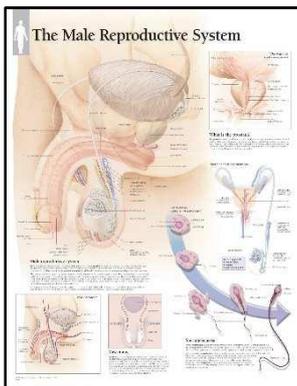

Female Reproductive System

Scientific Publishing Ltd

The Female Reproductive System chart presents an overview of the structure and function of female reproductive anatomy. The primary image illustrates the overall structure, including the ovary, uterine tube and uterus. Diagrams show the process of the menstrual cycle and ovulation.

Laminated Poster 9781930633636 £13.19 August 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633629 £5.99 August 2003 Scientific Publishing Ltd (US)

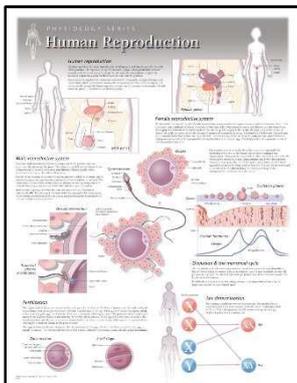

The Male Reproductive System

Scientific Publishing Ltd

The Male Reproductive System chart presents an overview of the structure and function of male reproductive anatomy. The primary image illustrates the overall structure, including the penis and testicles. Diagrams lay-out the process of spermiogenesis and the movement of sperm.

Laminated Poster 9781930633971 £13.19 September 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633964 £5.99 September 2003 Scientific Publishing Ltd (US)

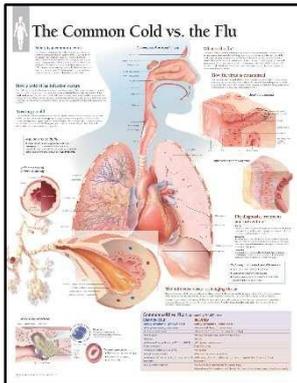

Human Reproduction

Scientific Publishing Ltd

The Human Reproduction chart begins with graphics and text describing the male and female reproductive systems. The menstrual cycle, ovulation and fertilization are depicted, along with a section on sex determination.

Laminated Poster 9781935612186 £15.59 May 2013 Scientific Publishing Ltd (US)

Respiratory System

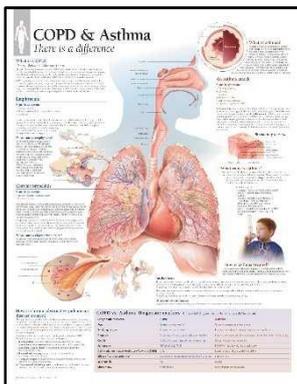

The Common Cold vs. the Flu

Scientific Publishing Ltd

The Common Cold vs. the Flu chart compares the causes, symptoms and treatment of these two respiratory problems. Images and text show normal & inflamed tissue, inflammation of the bronchial airway and middle ear infection. A point by point comparison chart is included.

Laminated Poster 9781930633797 £13.19 August 2004 Scientific Publishing Ltd (US)

Paper Poster 9781930633780 £5.99 August 2004 Scientific Publishing Ltd (US)

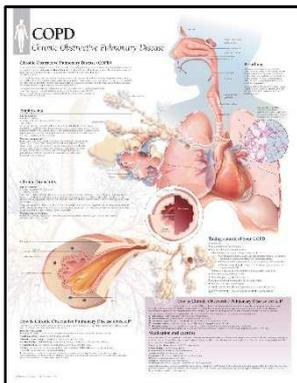

COPD & Asthma

Scientific Publishing Ltd

The COPD & Asthma chart compares the causes, symptoms and treatment of these two respiratory problems. A point by point comparison chart showing diagnostic markers is included.

Laminated Poster 9781930633452 £13.19 May 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633445 £5.99 May 2003 Scientific Publishing Ltd (US)

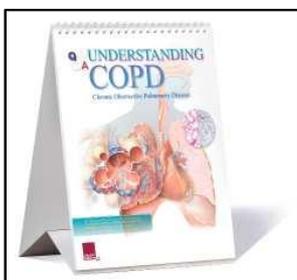

COPD (Chronic Obstructive Pulmonary Disease)

Scientific Publishing Ltd

The COPD chart presents a detailed overview of the symptoms and causes of Chronic Obstructive Pulmonary Disorder (COPD). Sections help explain the two related respiratory diseases that constitute COPD – emphysema and chronic bronchitis.

Laminated Poster 9781930633353 £13.19 April 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633346 £5.99 April 2003 Scientific Publishing Ltd (US)

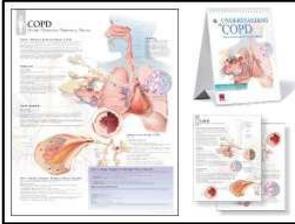

Understanding COPD Flip Chart

Scientific Publishing Ltd

This flip chart offers an overview of COPD, or chronic obstructive pulmonary disorder. The flip chart measures 11" x 14" and is UV coated to allow for dry erase markers [not included]. Spiral bound easel folds flat for easy storage.

Spiral 9781932922295 £16.99 April 2006 Scientific Publishing Ltd (US) 8 pages

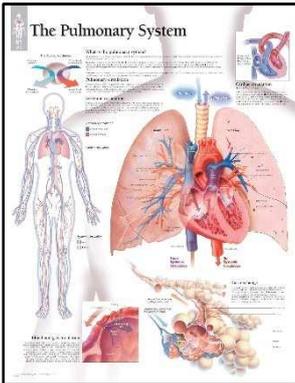

Understanding COPD Study Set

Scientific Publishing Ltd

Set includes: Anatomical Wall Chart; Anatomical Flip Chart & 5 Patient-Education Pads. Patient Education Study Sets, for the patient and healthcare professional. Help improve general health by educating patients using these dynamic and informative wall posters and teaching aids. These sets have been designed to increase awareness of the complications and treatments of today's leading health issues. Each item can be used separately or included in an educational program fitting your curriculum objectives. Hospitals can also take advantage of this educational opportunity to increase their HCAHPS Scores.

Shrink-wrapped pack 9781935612414 £55.19 May 2015 Scientific Publishing Ltd (US)

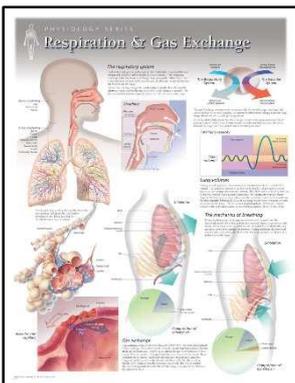

The Pulmonary System

Scientific Publishing Ltd

The Pulmonary System chart takes us through the interaction of two body systems – the vascular and respiratory systems. Moving from the human body level to the organ level all the way to the cellular level, The Pulmonary System describes the process and structures of respiration and gas exchange.

Laminated Poster 9781932922387 £13.19 October 2009 Scientific Publishing Ltd (US)

Paper Poster 9781932922394 £5.99 October 2009 Scientific Publishing Ltd (US)

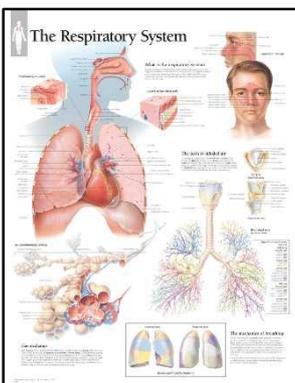

Respiration & Gas Exchange

Scientific Publishing Ltd

The Respiration & Gas Exchange chart depicts the anatomy of the respiratory system, from the upper respiratory tract to the alveoli. Gas exchange at the cellular level is explained. The section on inspiration and expiration is complemented by a diagram and text on lung volumes.

Laminated Poster 9781935612032 £15.59 May 2013 Scientific Publishing Ltd (US)

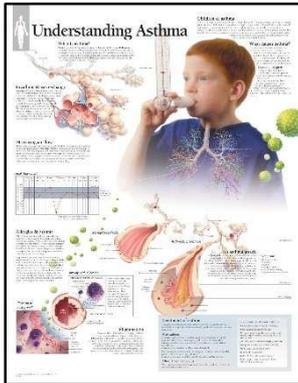

The Respiratory System

Scientific Publishing Ltd

The Respiratory System chart presents a visual overview of the structures of breathing, from nasal passages to the bronchi. Additional imagery illustrates the paranasal sinuses and views of the larynx.

Laminated Poster 9781930633070 £13.19 July 2002 Scientific Publishing Ltd (US)

Paper Poster 9781930633063 £5.99 July 2002 Scientific Publishing Ltd (US)

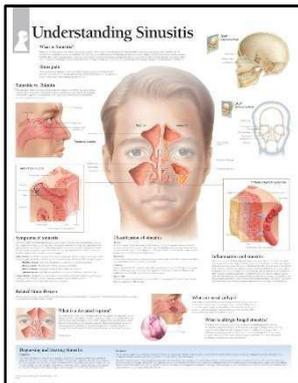

Understanding Asthma

Scientific Publishing Ltd

The Understanding Asthma chart takes a look at the causes, symptoms, risk factors and treatments for asthma. The anatomy of airways and gas exchange is graphically depicted, along with a peak flow chart. Images of normal and asthmatic bronchioles are shown for comparison in the asthma attack section.

Laminated Poster 9781930633179 £13.19 July 2002 Scientific Publishing Ltd (US)

Paper Poster 9781930633162 £5.99 July 2002 Scientific Publishing Ltd (US)

Understanding Sinusitis

Scientific Publishing Ltd

The Understanding Sinusitis chart presents a visual overview of this respiratory problem. The main image contrasts sinusitis and normal sinuses, while two close-up views show normal and inflamed respiratory mucosa.

Laminated Poster 9781932922691 £13.19 December 2008 Scientific Publishing Ltd (US)

Paper Poster 9781932922707 £5.99 December 2008 Scientific Publishing Ltd (US)

Rheumatology

Rheumatoid Arthritis

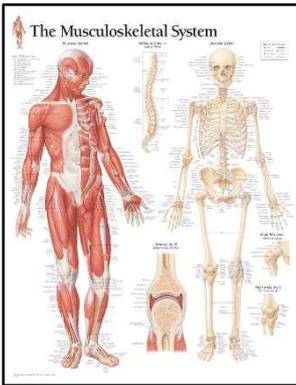

Scientific Publishing Ltd

The Rheumatoid Arthritis chart takes a look at the causes, symptoms, risk factors and treatments for this disease. Healthy and affected joints are shown for comparison, with smaller cross-sectional views for further explanations.

Laminated Poster 9781930633391 £13.19 August 2004 Scientific Publishing Ltd (US)

Paper Poster 9781930633384 £5.99 August 2004 Scientific Publishing Ltd (US)

Systemic Anatomy

The Musculoskeletal System

Scientific Publishing Ltd

The Musculoskeletal System chart has front views of human musculature and skeleton. Additional views include the vertebral column and a cross-section of a generalized synovial joint.

Laminated Poster 9781930633339 £13.19 April 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633322 £5.99 April 2003 Scientific Publishing Ltd (US)

The Muscular System with Female Figure

Scientific Publishing Ltd

The Female Muscular System chart graphically portrays front and rear views of the female musculature. Other images include a close-up of skeletal muscle, the muscles of the abdominal wall and the outer muscles of the back.

Laminated Poster 9781930633056 £13.19 July 2002 Scientific Publishing Ltd (US)

Paper Poster 9781930633049 £5.99 July 2002 Scientific Publishing Ltd (US)

The Muscular System with Male Figure

Scientific Publishing Ltd

The Muscular System chart graphically portrays front and rear views of the male musculature. Other images include muscles of the abdominal wall, the outer muscles of the back and a plantar view of the foot.

Laminated Poster 9781930633032 £13.19 July 2002 Scientific Publishing Ltd (US)

Paper Poster 9781930633025 £5.99 July 2002 Scientific Publishing Ltd (US)

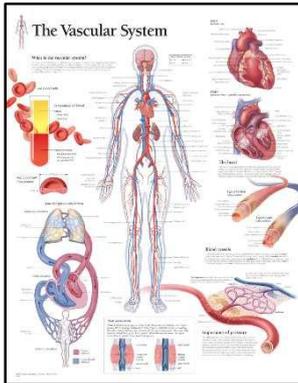

The Skeletal System

Scientific Publishing Ltd

The Skeletal System chart displays complete front and rear views of the human skeleton. Other illustrations include the bones of the ear, the vertebral column and bone structure.

Laminated Poster 9781930633018 £13.19 July 2002 Scientific Publishing Ltd (US)

Paper Poster 9781930633001 £5.99 July 2002 Scientific Publishing Ltd (US)

The Vascular System

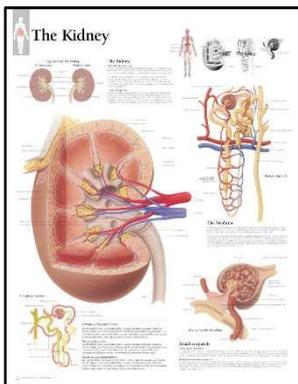

Scientific Publishing Ltd

The Vascular System chart illustrates the network that connects all parts of the human body. The main image shows the overall system with named major vessels. Heart anatomy, blood vessels of the brain and regional blood supplies are pictured, as is a view of a capillary bed.

Laminated Poster 9781930633551 £13.19 May 2003 Scientific Publishing Ltd (US)

Paper Poster 9781930633544 £5.99 May 2003 Scientific Publishing Ltd (US)

Urinary System

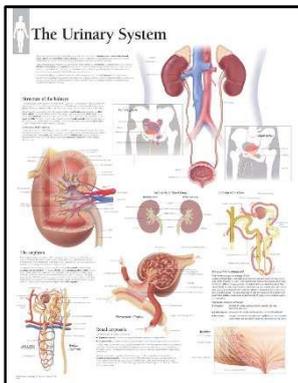

The Kidney

Scientific Publishing Ltd

The Kidney chart is a detailed overview of the structure and function of this major component of the urinary system. Both structure and function are illustrated as the images and text describe the kidney from the gross anatomy to the tissue and cellular levels.

Laminated Poster 9781932922066 £13.19 December 2004 Scientific Publishing Ltd (US)

Paper Poster 9781932922073 £5.99 December 2004 Scientific Publishing Ltd (US)

The Urinary System

Scientific Publishing Ltd

The Urinary System chart presents an overview of the male and female urinary systems. The overall anatomy of bladder, kidney, ureters and urethras are illustrated, and the differences between male and female are compared through side-by-side graphics.

Laminated Poster 9781932922448 £13.19 October 2009 Scientific Publishing Ltd (US)

Paper Poster 9781932922455 £5.99 October 2009 Scientific Publishing Ltd (US)

Complete Set of 11 Flip Charts

Complete Set of 11 flip Charts

Scientific Publishing Ltd

Series of anatomical titles offers a complete overview and understanding of the subject matter. Ideal for student or patient education, these flip charts are suitable for the home, the school library, or physicians office. Each flip chart measures 11" x 14" and is UV coated to allow for dry erase markers [not included]. Spiral bound easel folds flat for easy storage.

Spiral 9781935612360 £116.99 May 2015 Scientific Publishing Ltd (US)
