Astro Tarot

Yasmeen Westwood chooses a card for each sign to reveal what's in store for you

ARIES

Seven of Swords

Someone may have suspect motives. Look out for a liar or a 'friend' talking about you behind your back. Are you being honest about your own feelings? You may need your wits to outsmart a situation or dilemma.

TAURUS

The Chariot

The Chariot triumphs over obstacles and breaks through barriers. This card is about being in control of where you are heading and fulfilling your goals through determination and focus. Time to stop planning and move forward.

GEMINI

The World

It's the end of one cycle and the beginning of another but you may be afraid of change. Perhaps what has gone was comforting as it was known. However, it has ended, and now it's time to begin anew. New adventures await!

CANCER

The Moon

By the light of the Moon, things may not appear as they really are. Don't make decisions until all the facts are available. Pay attention to dreams and other signs that may cross your path. Do they have a message for you?

LEO

Judgement

It's time to take a long hard look at yourself. Are your thoughts and behaviours aligned to who you want to be? Stop your negative thinking and step up to your full potential. Learn from mistakes and move on with renewed hope.

VIRGO

Ace of Wands

A new job offer, project or business opportunity could be in the works. An exciting invitation may come your way and a new chapter in a relationship could be afoot too. Don't hang about. Strike while the iron is hot!

LIBRA

The Wheel of Destiny

Life will always have ups and downs. We can't control or fix everything. If things are good, enjoy! Difficult times won't be forever. A new cycle is beginning where luck is on your side. Make the most of any opportunities.

SCORPIO

Page of Cups

This card may indicate news of an emotional nature. An unexpected opportunity that could make you very happy might come your way. It can also suggest the arrival of a creative idea. A new relationship could be fun.

SAGITTARIUS

Two of Pentacles

Too many plates spinning? Know that this is temporary. But you may need to find a better work/life balance, starting with learning to say 'no'. A big purchase may be coming up and you could be working two jobs for a while.

CAPRICORN

The Lovers

You may have a life-changing decision to make about a relationship (romantic, business, or friendship) or a temptation. Weigh the consequences of each choice carefully before you make up your mind.

AQUARIUS

Knight of Swords

This can suggest rushing headlong into something without thinking it through. A big change could unfold quickly. A situation needs proper handling to avoid chaos. Stand up for your rights if you're not being heard.

PISCES

King of Wands

Is someone deciding on a new career path? If faced with two options, know that neither choice is better than the other, though they do lead to different outcomes. Don't focus on the details. See the bigger picture.
